**“The Motown Story”
Presented by The Asante Children's Theatre**

Who/What: The Asante Children's Theatre was founded in 1990 with the goal of engaging, mentoring, supporting and inspiring Indianapolis-area youth to be strong successful members of their community through a curriculum of traditional African and African-American performing arts.

The Asante Children's Theatre has transformed a group of 30 young people into a professional performance ensemble. In partnership with the Madame Walker Theatre we are proud to present a spectacular, electrifying musical, adapted to the stage by storyteller and playwright Deborah Asante. **“The Motown Story”** pays tributes to the empire built by Berry Gordy and celebrates the music made popular by the legendary Temptations, Four Tops, Smokey Robinson and the Miracles, Diana Ross and the Supremes and much, much more. **“The Motown Story”** gives the young members of the Asante Children's Theatre Academy an opportunity to demonstrate their new-found confidence and performing skills.
